EDUCATION

Nanyang Polytechnic

Diploma in Business and Financial Technology

Singapore

April 2025 – May 2028

PROJECTS

Contribo | *Python, SQLite, Discord API, Telegram API*

July 2026 – Present

- Developing a cross-platform project management and contribution tracking bot for group projects.
- Implementing task assignment, proof-based completion verification, contribution scoring, automated leaderboards, and meeting logs.
- Building cross-platform synchronisation to improve workload transparency, accountability, and collaboration.

CoLab - Community Platform | *Python, Flask, SQLAlchemy*

Dec. 2025 – Feb. 2026

- Implemented the Activities and Events feature for an intergenerational community platform, handling event data creation and display.
- Led the integration of four modules covering events, posts, messaging, and profile management into one application.
- Managed routing and database relationships to maintain consistent user flow across the platform.

SkillShift Club | *Web Development, HTML, CSS, JavaScript*

July 2025 – Aug. 2025

- Developed a simulated CCA web platform with structured Home, About Us, Events, FAQ, and Join Us pages.
- Built a colour-coded events calendar to display different training sessions and activities.
- Implemented a Join Us form for trial students and designed the site's navigation, footer, homepage, and overall structure.

EXPERIENCE

Sengkang North Youth Network

Member

Singapore

Sep. 2025 – Present

- Designed and managed prize redemption system for Halloween 2025, creating custom redemption cards and distributing prizes to 100+ participants.
- Planned and hosted stage games for EcoFest 2026, engaging 80 attendees and keeping energy high throughout the games.
- Co-emceed the Sengkang North Education Awards Presentation 2026, hosting two sessions and guiding the event flow for award recipients and attendees.
- Engaged residents at the Sengkang North Youth Network booth by facilitating board games, interacting with participants, and promoting community bonding during the Parents' Day Event.
- Represented Sengkang North Youth Network at the National Family Festival 2026 by engaging parents and children, facilitating a gacha prize activity, and distributing gifts.
- Co-emceed the Sengkang Community Night 2026, hosting a live community event featuring performances, lucky draws, dinner, and entertainment while engaging hundreds of residents.
